

Finished measurements after blocking:

5 inches wide (garter stitch sections) by
 64 inches in length

Yarn:

Spud & Chloe Outer (65% superwash wool, 35% organic cotton;
 100 grams/ 60 yards), 4 hanks in selected color (sample made in
 Rocket #7211)

Needles:

US size 15 for stockinette sections (I used 24 inch circulars to work
 back and forth) and US size 11 for the garter stitch sections (I used
 two double pointed needles to work back and forth)

Note: The scarf starts out on the larger size needles, then switches
 to the smaller size needles for the garter stitch section. I recommend
 using 2 double pointed needles to work back and forth; because
 it makes it easier to remember to switch back to the correct needle
 size when changing sections.

Gauge:

2 stitches per inch in stockinette stitch using the larger needles

Tools:

Scissors
 Yarn needle
 Tape measure

 the last garter stitch ridge.

Garter stitch section:
